  @luke181foundation

Hi friend!

November 1, 2025

It's hard to believe we are already preparing for some of my favorite days of the entire year! This year marks the 9th Annual Links 4 Luke Golf Tournament. We can't wait to get everybody back together to celebrate all the progress that has been made and the endless possibilities that are becoming more available now.

NINE represents completion and fulfillment. For me, it is also a reminder that with faith, family, and determination, anything is possible. This past year was full of firsts—moments that showed me there are still so many new things to discover and that life can be even fuller than I ever imagined. I can hardly believe I was able to do things just like other kids—I made it all the way to the top of Pikes Peak in Colorado, went skiing in Park City, UT with my entire family and even got to go water tubing with my parents this summer. These were experiences I never thought I'd have, and the best part was being together with everyone. Those adventures remind me that while SMA makes life different, it can still be so exciting and full of adventures. I've learned that when something hard happens, GOOD things can come from it, and it can all be used for a greater purpose.

Since being diagnosed with spinal muscular atrophy (SMA) at just 5 ½ months old, I've been blessed with treatments that have given me strength and opportunities I once could only dream about. Today, there are three FDA-approved therapies for SMA, and thanks to the efforts of so many, every newborn in the United States is screened for SMA at birth. This has changed lives forever, turning what was once the #1 genetic cause of death for infants into a disease filled with hope and a future. Even more exciting, there are now four potential therapies that are either with the FDA for approval or are in late-stage clinical trials that hold the potential to reverse symptoms and restore muscle strength for people living with SMA. Every breakthrough gives me and kids like me more chances to experience the joys of childhood and the adventures of life.

I am so proud of what the Luke 18:1 Foundation has been able to accomplish with our community of families and supporters. This past year we launched a new wheelchair program with Cure SMA where we are giving Fold & Go travel wheelchairs to kids like me. After my parents bought me one, it gave me more independence and freedom to live life without boundaries, and I realized I wanted everyone to be able to experience that, too!

While we celebrate our accomplishments, our work isn't finished. We still have so much work to do to find out what causes SMA. The cause is the cure, and research holds the key to a cure. The Luke 18:1 Foundation exists to help drive this critical progress—supporting the clinical trials and advancements that will one day end SMA for good. With every dollar raised, we get one step closer to making that dream a reality.

Please join us for the 9th Annual Links 4 Luke Golf Tournament:

- VIP Party: Sunday, May 3, 2026
- Golf Tournament: Monday, May 4, 2026
- Location: Las Colinas Country Club in Irving, TX
- Tee Time: 10:00 am

For more information on how you can participate, become a sponsor, or volunteer, please contact us (my mom, Nicole Stickane) at luke@luke181.org or 817-304-9098.

Your generosity has already helped rewrite the story of SMA, and with your continued support, the future will only get brighter.

Always pray and never give up,

Luke Stickane

Luke Stickane + the Luke 18:1 Foundation

Please join us at our 9th Annual Links 4 Luke Golf Tournament on Monday, May 4, 2026.

Las Colinas Country Club, 4400 N O'Connor Road, Irving, TX 75062
Tee Time: 10:00 A.M.

The 9th Annual Links 4 Luke Golf Tournament will be held on Monday, May 4, 2026 at Las Colinas Country Club in Irving, TX. This all-day event features an incredible golf tournament at a beautiful 18-hole course designed by the legendary Joe Finger complete with morning tee times, breakfast bites, on-course lunches, snacks, and cocktails, plus a post-play happy hour and silent auction throughout the day.

The annual tournament also includes a private, VIP Sponsor Party on Sunday, May 3, 2026 that features live entertainment, cocktails, dinner, and more!

In 2025, over 350 attendees helped to raise more than \$750,000 to advance breakthroughs in research, care, and support programs for those living with SMA in the United States.

Over the last 8 years, the Links 4 Luke Golf Tournament has raised over \$3 million to support the Luke 18:1 Foundation's mission of finding a cure for SMA.

SPINAL MUSCULAR ATROPHY

THE FACTS

SMA affects approximately 1 in 15,000 babies and can affect any race or gender.

1 in every 50 Americans is a genetic carrier for SMA.

There are 3 FDA approved treatments for SMA but no cure yet.

ABOUT SMA

Spinal muscular atrophy (SMA) is a progressive neurodegenerative disease that affects the motor nerve cells in the spinal cord and impacts the muscles used for activities such as breathing, eating, crawling, and walking. Each year, thousands of infants in the U.S. and around the world are born with SMA. SMA also impacts children, teens, and adults from every background, race, and gender. Approximately one in 50 people, more than six million total, is a genetic carrier for SMA. There are several approved treatments for SMA, but we do not yet have a cure.

ABOUT LUKE 18:1 FOUNDATION

The Luke 18:1 Foundation was created for the purpose of finding a cure for SMA by working together as a community to find a cure for SMA through three key pillars that include raising awareness, funding research, and supporting individuals and families.

Over the past 8 years, the Luke 18:1 Foundation has granted Cure SMA nearly \$3 million to fund advancements in research, support the Care Center Network, supply equipment for the SMA community, sponsor scholarships for first-time attendees at the Annual SMA Conference, and more. The Luke 18:1 Foundation's partnership with Cure SMA continues to be vital to the advancements in research, care, and support made by Cure SMA, and will not stop until a cure for SMA has been found. Learn more at www.luke181.org.

Always pray and never give up.

ABOUT CURE SMA

Cure SMA is dedicated to the treatment and cure of spinal muscular atrophy (SMA). Since 1984, Cure SMA has grown to be the largest U.S.-based network of individuals, families, clinicians, and research scientists working together to advance SMA research, support individuals and families impacted by SMA, and educate public and professional communities about SMA.

Cure SMA funds and directs comprehensive research that drives breakthroughs in treatment, advances access to high quality care, provides practical support programs, and advocates for the needs of the SMA community. Learn more at www.curesma.org.
